Our commitment to you: Peace-of-Mind Protection

- Basic Coverage: 3 years/60,000 km
- Powertrain Limited Warranty: 5 years/100,000 km
- Corrosion Perforation Warranty: 5 years/unlimited distance
- Roadside Assistance: 5 years/100,000 km

Certain conditions apply. For more information on these warranties and coverages, ask your local Ford of Canada Dealer or visit ford.ca.

Ford Extended Service Plan. Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Extended Service Plan (ESP). Ford ESP protects you against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your ESP with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus 8 wear items. See your Ford of Canada Dealer for details.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca.

Ford Original Accessories that are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 3-year/60,000-km New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford of Canada Dealer for details and/or a copy of all limited warranties.

For prompt, courteous answers to your questions: Ford Customer Relationship Centre 1-800-565-3673; Ford Credit Customer Service Centre 1-877-636-7346.

Go Further

Your wildest dreams.

Just got real. Ford Mustang – the legendary Pony car – hits the pavement running with a full lineup of forward-leaning, hard-charging machines for 2016. Fastback. Convertible. V6. EcoBoost.® GT. Get into yours. And get gone.

GT Premium. Fastback. Triple Yellow Tri-coat. GT Performance Package.

435-HORSEPOWER¹ HIGH.

That's the feeling. And it's reinforced by the sound of the legendary 5.0L. The wickedly deep-throated rumble that could only be Mustang GT.

Our fastest and best-handling GT yet, this generation packs a potent 435 horses¹ and 400 lb.-ft. of torque¹ courtesy of its thoroughly modern 5.0L V8 engine. It also pulls 0.98 lateral g² thanks in part to the integral-link, fully independent rear suspension. With nearly 10 times better anti-lift properties than the solid-axle setup it replaced, this system provides significantly better pitch control during hard acceleration and braking.

Get an even more aggressive look with the new California Special³ GT Premium. Outside, the heat gets turned up with unique Black front grilles featuring the tri-bar Pony logo, a performance front air splitter, hood and side stripes, a raised decklid spoiler, 19" Ebony Black-painted machined aluminum wheels and more. Under the hood, your strut tower brace gets the California Special badge. And inside, you'll enjoy Ebony leather-trimmed seats with Miko[®] sueded cloth inserts, red contrast stitching and more, including a California Special badge on the dash – the perfect finishing touch.

GT Premium. Fastback. Race Red. California Special. Available equipment.

¹Figures achieved using 93-octane fuel. ²Mustang GT with GT Performance Package figure based on internal Ford testing data. ³Available feature.

320 LB.-FT.¹ OF GET-UP-AND-GONE.

Turbocharged responsiveness – that's the essence of Mustang EcoBoost.[®]

Best-in-class² 4-cylinder fuel efficiency,³ horsepower and torque are yours with the 2.3L EcoBoost engine. Its twin-scroll single turbocharger and direct-injection technology deliver all around. It has a rating of 7.4L/100 km (38 mpg) hwy.³ Plus, it kicks out 310 hp¹ and 320 lb.-ft. of torque.¹ Harnessed by a 6-speed manual or a SelectShift[®] automatic⁴ transmission, it's ready to ride.

Performance is enhanced by subtle elements like the wheel aero curtains, which are vertical slots at the outer edges of the front fascia. Standard on every Mustang, they create a high-pressure region that holds airflow closer to the body and minimizes drag.

Pump up the Pony presence on EcoBoost Premium by adding unique front grilles accented by the tri-bar Pony logo, sporty side stripes, unique 19" polished aluminum wheels and more with the new Pony Package.^{4,5}

EcoBoost Premium. Convertible. Magnetic Metallic. Dark Saddle leather trim. Pony Package. Available equipment.

¹Figures achieved using 93-octane fuel. ²Class is High-Power Sports Cars based on Ford segmentation. ³11.0L/100 km city and 7.4L/100 km hwy (26 mpg city/38 hwy), 2.3L automatic fastback. Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary. ⁴Available feature. ⁵Available Fall 2015.

FASTBACK. FAST FORWARD.

Whether your Mustang V6 takes the iconic form of the fastback, or your must-have dream machine is a droptop, you can look forward to the passionate performance of its 3.7L Ti-VCT V6 engine.

With 300 hp and 280 lb.-ft. of torque at your disposal, every trip is bound to be a blast. Take your pick of a short-throw manual or a SelectShift® automatic¹ transmission. With the auto, Mustang V6 has a rating of 8.5L/100 km (33 mpg) hwy.²

Excellent road feel and precise handling are just a few benefits of the standard fully independent suspension system. It features a double-ball-joint configuration in front, along with high-strength aluminum-alloy knuckles and H-arms in the rear. Utilizing advanced lightweight materials helps to keep unsprung mass down while maximizing grip – so you can have fun putting your Mustang through its paces on the way to places like this.

V6. Fastback. Triple Yellow Tri-coat. Available equipment.

¹Available feature. ²12.6L/100 km (22 mpg) city and 8.5L/100 km (33 mpg) hwy, 3.7L automatic fastback. Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary.

A new capacitive touch screen with SYNC 3 has impressive responsiveness like a smartphone's swipe feature, as well as pinch-to-zoom functionality within navigation.²

Simple music access helps you find your favourite music fast. Through intelligent voice commands, SYNC 3 can automatically switch between music sources.

Easy destination entry within navigation² helps you locate your favourite restaurants, nearest ATM, closest fuel station and more.

SYNC® 3. THE NEXT GENERATION IS HERE.

Standard on EcoBoost® Premium and GT Premium, new SYNC 3 technology^{1,2} brings enhanced next-level connectivity to Mustang. In addition to all the voice-activated benefits of the base SYNC system – placing and answering calls, and controlling music from your USB or smartphone – you'll love the innovative new features and easy-to-use new interface of SYNC 3.

New hardware meets new software on the easy-to-read 8" colour LCD touch screen that displays phone, audio and navigation² functions.

High-speed performance, including a capacitive touch screen with a convenient swipe feature, means you'll experience quick responses to your touch or voice commands.

Enhanced voice recognition lets you talk with simple, real-world commands and the system responds naturally to your voice, making hands-free calling that much easier.

Siri® seamless integration brings the power of Siri Eyes Free³ and your iPhone®³ into your vehicle.

Automatic updates over Wi-Fi®⁴ let you keep SYNC 3 up to date with the latest software as new updates become available.

SYNC. Say the word.™

Standard on Mustang V6, EcoBoost and GT, Ford SYNC¹ with a 4.2" screen delivers many of the great features found on SYNC 3, including:

Hands-free calling that lets you make a call with the simple push of a button along with the sound of your voice.

Automatic phone book download that transfers the names and numbers in your compatible phone automatically, once paired.

Voice-activated music commands that let you say what music you want to hear and listen to it easily with voice-activated search, or say "Bluetooth® audio" to stream content from your phone.

Plug-in capability with your MP3 player, USB or iPod.®

¹Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. SYNC voice recognition and screens available in English, French and Spanish. Some features may be locked out while the vehicle is in motion. ²Available feature. ³You must have a Bluetooth-enabled phone paired to your SYNC system. ⁴Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. Data rates may apply.

| SYNC

ROCK THE COCKPIT.

For amazing sound, the 390-watt Shaker™ Pro Audio System¹ surrounds you with 12 strategically placed speakers, including an 8" subwoofer that has been smartly mounted in the trunk for minimal impact on storage space. The system also includes an AM/FM stereo and a single-CD/MP3 player for when you want to be the DJ.

Listen to your favourites all across Canada with SiriusXM.^{®1} Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment.²

GT Premium. Fastback. Ebony leather trim. GT Performance Package. Available equipment.

¹Available feature. ²SiriusXM subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca.

DROP IN. REV UP.

Lower yourself into the sporty driver's seat. Put your foot down. And let the adrenaline flow. Nothing compares to this rush. It's pure magic. The kind created only by Mustang. A love-at-first-sight, want-you-so-bad, feels-so-good kind of car. One drive. And you're hooked.

Its carefully crafted interior welcomes all drivers. The steering column tilts and telescopes. Your footrest and accelerator angles match. The shifter's right where it should be for open access to controls (and cupholders). Plus, the front seats travel farther than in the previous generation. And there's plenty of knee room. All that's missing is you.

SENSE DANGER. LIKE A SUPERHERO.

High-speed passing. Crowded lots. Tight driveways. Long runs down the highway. Ford Mustang offers advanced driver-assist technologies¹ with sophisticated sensors that can help you out in all these challenging real-world moments and more.

Stay alert to traffic detected in blind spots as you drive forward, or to traffic nearing either side of the vehicle as you slowly back up, thanks to BLIS[®] (Blind Spot Information System) with cross-traffic alert.¹ BLIS helps warn you using lights embedded in the sideview mirrors.² Cross-traffic alert uses the same lights, plus an audio warning and a message centre notice.

Get a heads-up from adaptive cruise control and collision warning with brake support.¹ This system helps maintain your choice of 4 preset gaps from the vehicle in front of you and can alert you to a potential collision. If one is detected, it flashes a warning on the windshield, sounds an alarm, and preps the braking system to provide full responsiveness when you do brake.

GT Premium. Fastback. Ruby Red Metallic Tinted Clearcoat. Available equipment.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature. ²BLIS replaces standard integrated blind spot mirrors.

U.S. model shown.

TRANSFORM IN A FLASH.

This Mustang convertible is a quick-change artist – dropping its top nearly twice as fast as the previous generation. Engineered as a convertible from the start, it's designed to deliver a smoother ride and better handling than its predecessor as well. Plus, it has a lower liftover height and best-in-class¹ trunk space.

Go topless in seconds by simply releasing the centrally located top latch and pressing a button. The electric drive system operates not only quickly, but quietly too.

Convertible life is easy, thanks to thoughtful touches like the tonneau caps that slide neatly into place, helping give the lowered top a sleek finish.

To perfect its top-down look, the convertible sports exclusive design cues that set it apart from the fastback. Note the higher, straighter muscle line across its rear haunches. And its distinctively contoured trunk lid. The 2016 Mustang convertible – open-air freedom at its best.

GT Premium. Convertible. Deep Impact Blue Metallic. Ebony leather trim. Available equipment.

¹Class is High-Power Sports Convertibles based on Ford segmentation.

RACERS: TAP THIS.

The 2016 Mustang serves up hot technology designed specifically for you. Next time the track starts getting slick, just tap a toggle switch on the dash to adjust its Selectable Drive Modes.¹ And keep going.

Choose from 4 modes: Normal, Sport+, Track, and Snow/Wet. Each one activates predefined powertrain and chassis calibrations suited to that particular driving situation.

Normal mode delivers a balance of comfort and responsive handling for an engaging driving experience.

Sport+ mode provides more responsive steering and throttle response, plus different shift points if your Mustang is equipped with the SelectShift[®] automatic transmission. It's great for more spirited driving on twisty roads.

Track mode, which is for track use only, allows skilled drivers to push the car closer to its limits on the track before AdvanceTrac[®] ESC (electronic stability control) intervenes. It's perfect for weekend track days and autocrosses because it lets you extract the absolute maximum from the vehicle.

Snow/Wet mode comes in handy when road conditions take a turn for the worse. It provides confident handling by retaining a connected-to-the-road feel without sacrificing any of the inherent composure of your new Mustang.

EcoBoost[®] Premium. Fastback. Race Red. Available equipment.

¹Available feature.

NOTHIN' BUT SMOKE IN YOUR MIRRORS.

When it's track time, leave the competition behind with electronic line-lock.^{1,2} Exclusive to GT models, it's activated using Mustang TrackApps.^{TM2} And its sole purpose is to prep your tires for the big win.

For customized steering feedback, the selectable-effort electric power-assisted steering offers you 3 modes (Standard, Sport and Comfort) in the Steering Feel menu.

An iconic "Christmas tree" offers accurate countdown starts. You can also monitor g-forces, braking times and acceleration times in quarter-mile, 0–60 mph and more, all within TrackApps.²

Serious stopping power is built into the GT Performance Package^{1,3} including 6-piston BremboTM front calipers that bite down on 15" vented rotors. Then it's go-time again.

GT Premium. Fastback. Shadow Black. Available equipment.

Vehicle shown on closed course with professional driver. Do not attempt.
¹Available feature. ²Track use only. ³Manual transmission only.

TRACK STAR.

While developing the GT Performance Package¹ for Mustang GT, engineers used the previous generation's Boss[®] 302 model as their performance benchmark – this race-ready machine is even faster around the track.

Getting it done starts with the underpinnings. The package gives you a strut-tower brace, a K-brace, heavy-duty front springs, an upsized rear sway bar, a larger radiator, a 3.73 TORSEN[®] rear axle and more. See the Specs for details.

GT Premium. Fastback. Competition Orange. GT Performance Package. Available equipment.

¹Available feature.

MUSTANG SPECIFICATIONS

GT Premium. Fastback. Race Red. EcoBoost Premium. Convertible. Magnetic Metallic. V6. Fastback. Triple Yellow Tri-coat. Available equipment.

Standard Features

Mechanical	lluminated locking glove compartment
4-wheel vented disc Anti-Lock Brake System (ABS)	Intelligent Access with push-button start
Selectable-effort electric power-assisted steering (Standard, Sport, Comfort)	Leather-wrapped steering wheel and parking brake handle
Suspension – Front: independent double-ball-joint MacPherson strut with stabilizer bar	Power door locks
Suspension – Rear: independent integral link with stabilizer bar	Power windows with global open and one-touch -up/-down feature (one-touch-up fastback only)
Tire inflator and sealant kit¹	Steering wheel-mounted cruise, audio and 5-way controls
Seating	Sun visors with illuminated vanity mirrors
4-way adjustable front head restraints	Sunglasses storage bin
50/50 split-fold rear seat (fastback only)	Tilt/telescoping steering column
Front bucket seats	
Interior	Exterior
12-volt powerpoints (2)	Automatic headlamps with wiper activation
Auto-dimming rearview mirror	Daytime running lamps
Carpeted front floor mats	Easy Fuel® capless fuel filler
Cruise control	Embedded radio antenna (fastback only)
Full centre floor console with storage bin	HID headlamps with signature lighting
	LED tail lamps with sequential turn signals
