Our commitment to you: Peace-of-Mind Protection

- Basic Coverage: 3 years/60,000 km
- Powertrain Limited Warranty: 5 years/100,000 km
- Corrosion Perforation Warranty: 5 years/unlimited distance
- Roadside Assistance: 5 years/100,000 km

Certain conditions apply. For more information on these warranties and coverages, ask your local Ford of Canada Dealer or visit ford.ca.

Ford Extended Service Plan. Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Extended Service Plan (ESP). Ford ESP protects you against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. It's confidence for the road ahead. See your Ford of Canada Dealer for details.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca.

Ford Original Accessories that are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 3-year/60,000-km New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford of Canada Dealer for details and/or a copy of all limited warranties.

For prompt, courteous answers to your questions: Ford Customer Relationship Centre 1-800-565-3673; Ford Credit Customer Service Centre 1-877-636-7346.

2016 | TRANSIT CONNECT

DELIVER THE GOODS. 24/7.

With a masterful combination of size, efficiency, cargo room and durability, Transit Connect Van has earned its hard-working reputation with small-business owners, construction-site managers, trade contractors and more.

Easy cargo access comes via a single or dual sliding side doors,¹ or through your choice of rear doors: 180° swing-out doors with or without fixed glass,¹ or a single liftgate¹ with fixed glass that's easy to raise and lower.

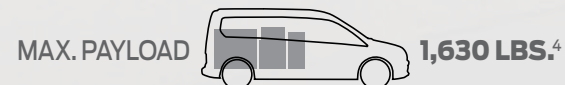

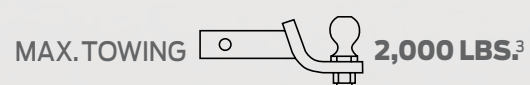

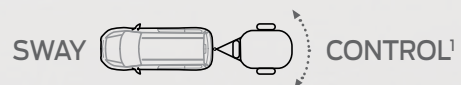

Enhance your company visibility by showcasing its name and details on the large exterior side panels – perfect for conveying a professional image.

Hard-working performance comes from a turbocharged, direct-injection 1.6L EcoBoost[®] engine¹ that delivers 178 hp,² 184 lb.-ft. of torque and a maximum towing capacity of 2,000 lbs. (907 kg).³ Maximum payload rating: 1,630 lbs. (739 kg).⁴ It all adds up to a huge appetite for work.

1.6L ECOBOOST¹

8.0 L/100 km (35 MPG) HWY⁵
10.8 L/100 km (26 MPG) CITY⁵

¹Available feature. ²Figures achieved using 93-octane fuel. ³When properly equipped. ⁴When properly equipped. Cargo and load capacities limited by weight and weight distribution. ⁵1.6L EcoBoost, Van. Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary.

XLT Van. Dual cargo doors. Frozen White.
XLT Van with liftgate. Race Red.
Available and aftermarket upfit equipment.

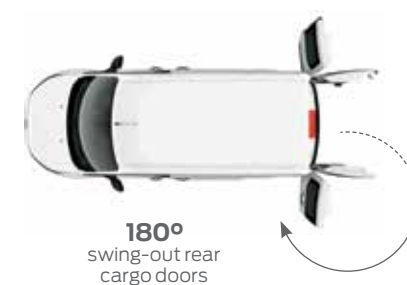

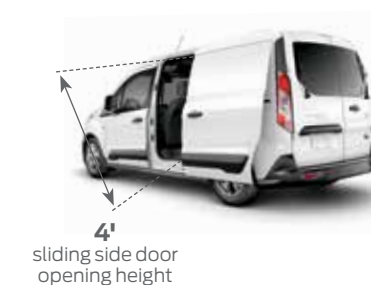

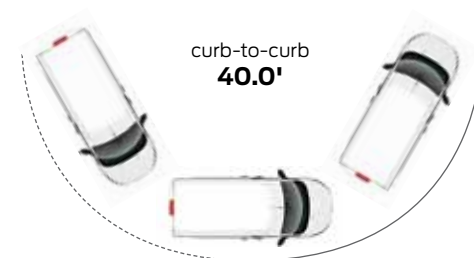

ALIGN WITH YOUR LINE OF WORK.

At just over 6' (1.8 m) tall, Transit Connect Van easily negotiates most parking garages and other low-clearance areas. But don't let its compact size fool you.

This Built Ford Tough® truck can handle what you throw at it, with the equivalent of over 8 million kilometres covered in arduous testing. AdvanceTrac® with RSC® (Roll Stability Control™),¹ which includes Torque Vectoring Control and Curve Control, adds an additional layer of driving confidence.

Loading and unloading cargo, manoeuvring through traffic, and even parallel parking are no problem. And thanks to a low load floor height under 2' (0.6 m), moving things in and out is easy.

Negotiating tight spaces is no sweat because of a 40' (12-m) curb-to-curb turning diameter, along with a rear view camera² and Forward and Reverse Sensing Systems² to help with parking. Transit Connect Van helps you get more done – each and every day.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²Available feature.

7' 3" max. length¹

4' max. width

4' 1" max. width

2' 9"
max. side door width

EASILY HANDLE BIG EXPECTATIONS.

Behind its comfortable front seats trimmed in durable vinyl or rugged cloth,² Transit Connect Van holds the long, tall and short of your business. Starting with a maximum payload rating of 1,630 lbs. (739 kg),³ Fold the passenger seat down and you can carry items over 9' (2.7 m) long inside.

The flat load floor, durable vinyl floor covering, cargo tie-down hooks and near-vertical walls help you make the best use of all that room to transport larger loads, and it's washable for quick cleanup after your work is done. With low side and rear load-floor heights, sliding side door access from either side,² plus 180° swing-out rear cargo doors, Transit Connect Van performs like your warehouse on wheels.

An outstanding mobility choice, Transit Connect can be fitted with aftermarket upfits⁴ by a Ford Authorized Qualified Vehicle Modifier (QVM). Equip yours with a lowered floor and stowaway ramp, wheelchair lift, wheelchair restraint system, power assist seat, hand controls and more. Visit the Mobility section on ford.ca for additional information.

XLT Van. Charcoal Black cloth. Available equipment.

¹9' 8" with passenger seat folded. ²Available feature. ³When properly equipped. Cargo and load capacities limited by weight and weight distribution. ⁴See your Ford of Canada Dealer for more information.

ENHANCE PRODUCTIVITY. ALWAYS GOOD BUSINESS.

A hard worker right from the factory, Transit Connect Van can do even more with custom aftermarket upfits suitable for your line of work. Through its standard single sliding side door or available dual sliding side doors, access durable bulkhead partitions and flexible storage systems that help make the most of what sets Transit Connect apart: its exceptional versatility.

Available aftermarket modifications and upfits include: wire, steel and solid bulkheads; racks and bins shelving units; interior cargo packages; drawer storage cabinets; refrigeration units; catering and food service packages; rooftop ladder racks; utility carriers; window security screens; and more.

To help make your Transit Connect even more productive, these suppliers participate in either Ford of Canada's Pool Account or Ship-Thru Programs. Contact your Ford of Canada Dealer for complete details.

2.5L ENGINE

8.7 L/100 km (32MPG) HWY¹

12.4 L/100 km (23MPG) CITY¹

WORK PROVEN. TRAVEL READY.

The Built Ford Tough® Transit Connect also has a personal dimension: Transit Connect Wagon.

A modern exterior and flexible interior make Transit Connect Wagon the ideal space for busy families on the go. There's easy entry and exit through dual sliding side doors, as well as the choice of a rear liftgate or 180° swing-out rear cargo doors.²

A fuel-sipping 2.5L engine has a highway fuel efficiency rating of 8.7L/100 km (32 mpg).¹ It's mated to a 6-speed SelectShift® automatic transmission for your convenience.

Additional levels of driving confidence come from Torque Vectoring Control, Curve Control³ and trailer sway control.²

To quickly clear fog, snow, sleet and ice should bad weather move in, a press of the Quickclear™ electric windshield defroster² button activates heating elements fused between layers of windshield glass. Cornering fog lamps² up front throw additional light to the sides of the vehicle – particularly helpful on early-morning adventures. With Transit Connect Wagon, you have everything you need. All day. Every day.

XLT Van. Frozen White. XLT Wagon. Tectonic Silver Metallic. Available equipment.

¹2.5L engine, Wagon. Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary. ²Available feature. ³Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

ACCESS TO ADVENTURE.

Ready to adapt at a moment's notice, Transit Connect Wagon is prepared for virtually anything. With all seats up, Transit Connect Wagon can seat up to 7 people. A low step-in height makes entry and exit easy.

New BLIS® (Blind Spot Information System) with cross-traffic alert¹ helps you stay alert to traffic detected in your blind spots. The system works as you drive forward, or when traffic nears either side of the vehicle as you slowly back up. Lights embedded in the sideview mirrors help warn you.

Enjoy a panoramic fixed-glass Vista Roof^{®1} with power sunshade, power 2nd-row windows with one-touch-up/-down,¹ and 3rd-row seats that slide to enhance leg room or storage space. You can also fold the 2nd- and 3rd-row seats down for a flat load floor. To transport long items along with passengers, fold one side of the seating flat.

Keep needed items close at hand in the front overhead storage shelf. For passengers, an aircraft-style mid-vehicle overhead console¹ features closable bins – perfect for off-the-floor and out-of-view storage of personal items. Passengers. Gear. Carry it all together.

XLT Wagon. Tectonic Silver Metallic. Available equipment.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature.

SPACE FOR UP TO 7. AMENITIES FOR ALL.

Transit Connect Wagon surrounds you in comfort, style and safety. Outside, take a liking to new 17" premium aluminum wheels! Inside, new 2nd-row fold-flat bucket seats¹ give you the space you need to relax.

In stylish leather-trimmed seats¹, your coffee stays close at hand thanks to cupholders in each row. A 12-volt powerpoint in the centre console helps keep your mobile devices charged.

Store small personal items in the in-floor storage compartment¹ behind the front-passenger seat. It's perfect for keeping your items out of view.

Increase your comfort level knowing that a Safety Canopy[®] System with rollover sensor and side-curtain airbags for all outboard passengers is part of 6 standard airbags.² Safety, after all, is always in style.

Titanium 6-passenger Wagon. Medium Stone leather trim. Available equipment.

¹Available feature. ²Always wear your safety belt and secure children in the rear seats.

COMMAND IT WITH YOUR VOICE.

Then get connected as voice-activated Ford SYNC^{®1} with 911 Assist[®] delivers hands-free calls with the simple push of a button and the sound of your voice. Once paired, automatic phone book download transfers the names and numbers in your compatible phone. Voice-activated music search lets you say what music you want to hear and listen to it easily, or say “Bluetooth[®] audio” to stream content from your phone. Plug in your MP3 player, USB or iPod[®] to listen to your favourites as well. SYNC. Say the word.[™]

Transit Connect responds to your touch as well, via the SYNC¹ with MyFord Touch^{™1} 6.5" colour LCD touch screen. Colourful graphics and simple controls make it easy to operate your phone, entertainment, navigation² and climate control.

For interactive maps to zoom and scroll, upgrade to the voice-activated Navigation System,² complete with 3D landmarks.

Listen to your favourites all across Canada with SiriusXM.^{®2} Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment.³

| SYNC

((SiriusXM))

¹Available feature. Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. SYNC with MyFord Touch voice recognition and screens available in English, French and Spanish. Some features may be locked out while the vehicle is in motion. ²Available feature. ³SiriusXM subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca.
